Welcome!

Meetings & events with PS instead of small talk

Located directly on Europe's most legendary race track, the Congress Hotel is not a place for mandatory appointments – it's a place for new perspectives: meetings with horsepower, relaxation with style, and overnight stays where you can recharge your batteries and not just switch off, but recharge. Whether you want to unwind after a day full of torque or need new energy between two sections of the track – this is the perfect setting. And the pace? You set it.

154 high-quality rooms suites with A/C, ISDN telephones, free Wi-Fi, LCD flat-screen TVs, code safes, mini-refrigerators, and balconies. The cool lobby bar with Davidoff smoking lounge is located on the ground floor. The Nuvolari restaurant offers the perfect ambience for delicious experiences. Want to get active or simply relax? The 300 m² wellness area with adjoining fitness area is the perfect place to do so.

Exceptional and exclusive: the Ring°Casino, the helipad, and access to the T4 grandstand!

TEST RESULT

for

Information for people with walking difficulties and wheelchair users

All areas relevant for testing meet the quality criteria of the label "**Accessibility certified – partially accessible for people with walking disabilities**".

Some **information on accessibility** are listed below. For detailed information please see the evaluation report.

- There are two parking spaces for people with disabilities.
- All guest-accessible areas and facilities are either step-free/at ground level or accessible via elevators.
- All guest-accessible doors, passageways, and pathways are at least 80 cm wide.
- The reception desk is 112 cm high. An alternative, equivalent means of communication is available while seated.
- There are two accessible rooms available.
- The toilet in the room is accessible from one side (at least 80 cm). A fold-down grab bar is available on the accessible side of the toilet.
- The sink is wheelchair compatible, and the mirror is visible while seated.
- Access to the shower is threshold-free. A shower chair is available.
- There are no wheelchair compatible tables in the restaurant/breakfast room.
- There is a public restroom for people with disabilities, which is partially accessible from one side (at least 60 cm). There are fold-down grab bars to the left and right of the toilet.

Information for people with hearing impairments and deaf people

Some **information on accessibility** are listed below. For detailed information please see the evaluation report.

- There is no clearly visible alarm.
- There is no audio induction loop system.
- An outgoing emergency call in the elevators is confirmed audibly.
- In the restaurant/breakfast room there are tables with bright and glare-free lighting, on which there are no lamps standing or hanging that interfere with the field of vision or eye contact. There is a seating area with low background noises (e.g. corner seating, separate room).
- There is at least one electrical outlet available near the bed.

- The ringing or knocking on the door is not indicated by a flashing signal which can be detected in all rooms.
- WiFi is offered.

Information for visually impaired and blind people

Some **information on accessibility** are listed below. For detailed information please see the evaluation report.

- Assistance dogs are welcome.
- The entrance area is designed with high visual contrast.
- Signage (for wayfinding) is designed with easy-to-read, high-contrast lettering.
- All elevated areas accessible to guests are brightly lit without glare.
- An outgoing emergency call in the elevator is confirmed by an audible signal.
- Steps do not have high-contrast edges. Staircases have handrails on both sides.
- The font on the menu is simple and designed with high visual contrast.
- Information is not available in Braille or raised lettering.

Information for guests with cognitive impairments

Some **information on accessibility** are listed below. For detailed information please see the evaluation report.

- The name of the hotel is clearly recognizable from the outside.
- Information for orientation is partly available with pictorial symbols.
- There is no information in easy language.

Information on the "Tourism for All" labeling system

All establishments and locations certified with the label "Tourism for All" meet the following quality criteria:

- Data and information on accessibility are collected and checked on site by **external, specially trained evaluators**. The method is not based on self-assessments.
- Data on accessibility is available **in detail** and can be viewed by the guests.
- At least one staff member has successfully passed a **training** on "**Accessibility as a comfort and quality feature**".

The labeling – explanation of the logos and pictograms

The label "**Information about Accessibility**" indicates that detailed and verified information on accessibility is available for all groups of people.

The label "**Accessibility certified**" is based on "Information about Accessibility". It means that the quality criteria defined for specific groups of people are met partially or completely.

The label "**Accessibility certified**" is available in two requirement levels:

"Accessibility certified: partially accessible".

The quality criteria are partially fulfilled for the pictured group of people, i.e. the establishment/location is partially accessible for wheelchair users. The "i" in the pictogram indicates that it is recommended to read again carefully whether the offer meets all (your oder the guest's) individual requirements.

"Accessibility certified: accessible".

The quality criteria are fulfilled for the pictured group of people, i.e. the establishment/location is accessible for wheelchair users.

There are defined quality criteria for **seven groups of people** and a **specific pictogram** for each group.

People with walking disabilities

Wheelchair users

People with hearing impairment

Deaf people

People with visual impairments

Blind people

People with cognitive impairments
